The leading voice of Business in the Garden Route

To Whom it May Concern

29 January 2016.

Subject: Letter of Endorsement: CLICKONIT

This letter serves to confirm that Johan and Wilma Rademan, owners/representatives of the company Clickonit, are respected members of the Business Community and are members of the George Business Chamber.

The reach of the Clickonit range of products stretches beyond the Garden Route and adds immense value to the Economy of the region. The marketing opportunities that their specific range of products provides, enhances and supports the visibility of all businesses that subscribe to the product range. This has a direct and favourable effect on the economy.

Their involvement and association with events and the co-ordinating of such events, is also commendable. They are very active members who engage with businesses at all levels and their endeavours also support and promote tourism in the area.

We are sure that they will continue to be the successful business people that they are and we look forward to continuing our mutually beneficial relationship for many years.

Kind Regards

Dr Willie Cilliers

President-George Business Chamber
